ORTHOPAEDIC SOCIETY

POSNA
PEDIATRIC ORTHOPAEDIC SOCIETY
OF NORTH AMERICA

Local Organising chairman : Dato Dr. Zulkiflee Osman
Local Organising secretary : Dr. Gooi Siew Ghim
POSNA Coordinator : Dr. Scott Hoffinger
APOS coordinator : Prof Saw Aik

Cover Message

Dear members of APOS,

It is my pleasure to inform all of you about the first major project of the newly formed ASEAN Paediatric Orthopaedic Society (APOS). As most of you may already know, POSNA has been collaborating with ASEAN Ortho Association (AOA) to organize basic training courses on Paediatric Orthopaedics every two years, for the last 12 years. The last event was held in Khon Kaen, Thailand, end of 2017. Due to heavy event loads at the end of the year, we have decided to change the date of this event to January 2019, instead of the usual Oct / Nov period. For the same reason, we hope that more surgeons/ residents will be free to attend the course.

There will be a few modifications in the program in the upcoming course. For the first time, we will have an interactive session (small group discussions) to allow the POSNA faculty to communicate more directly with our participants. We will also try to organize more workshops / demonstrations on various basic procedures in Paediatric Orthopaedics. Equally important is that the faculty are basically world experts or opinion leaders of various fields, and they can provide most up-to-date knowledge on various subjects. Prof Perry S has vast experience in different types of pelvic osteotomy / acetabuloplasty, while Prof Kerr Graham from Melbourne is world expert in Cerebral Palsy. Both Eric Gordon and Klane White have been actively involved in POSNA courses including the annual International Pediatric Orthopaedic Symposium (IPOS). Prof Mathew Dobbs is currently in charge of International Club Foot Congress, and this is probably the most advanced global platform for experts to discuss about advances in Clubfoot management. Finally, we have Prof Ken Kuo, Prof Bobby Ng from Hong Kong and Dr Scott Hoffinger who are very familiar with conditions we faced in this region, and have good experience in teaching and training of Paediatric Orthopaedics in developing countries. You may notice that there will be minimal input from our local or regional faculty, because we would like to learn from those who voluntarily travel half way across the world to be here.

We hope that all those interested will register early so that we can plan for the group discussions and workshops. Hopefully this format will serve as a new program template for future courses. Thank you.

Sincerely yours,

Saw Aik

APOS coordinator

LIST OF DISTINGUISHED SPEAKERS

PROF MATTHEW DOBBS

PROF KERR GRAHAM

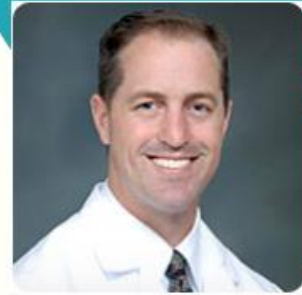

PROF KEN N KUO

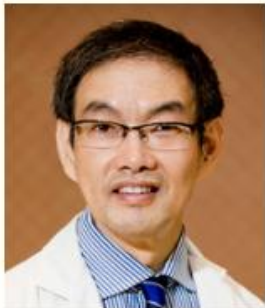

**PROF SCHOENECKER
PERRY**

DR SCOTT HOFFINGER

DR KLANE K WHITE

**DR NG KIN-WAH
BOBBY**

DR ERIC GORDON

APOS BOARD

**PRESIDENT
PROF UCOK P SIREGAR**

**VICE PRESIDENT
PROF JAMES HUI HOI PO**

**SECRETARY
PROF SAW AIK**

Tentative Program and timetable

	26 Jan 2019 Saturday	27 Jan 2019 Sunday	28 Jan 2019 Monday
8.00 – 9.00	Session 1 : DDH 1	Session 5 : Upper extremity trauma	Session 9 : Developmental conditions
9.00– 10.00	Session 2 : DDH 2	Session 6 : Lower extremity trauma	Session 10 : Congenital / Acquired conditions
10.00 – 10.30	COFFEE BREAK	COFFEE BREAK	COFFEE BREAK
10.30 – 11.30	Session 3 : Clubfoot and vertical talus	Interactive Group Discussion 3: UE and LE trauma	Workshop / Demo Session 5 SCFE & ankle fracture / Proximal femur osteotomy
11.30 – 12.30	Interactive Group Discussion 1: DDH / Foot Deformity	Workshop / Demo Session 3 ESIN femur / Hip Spica application	Workshop / Demo Session 6 Proximal femur osteotomy / SCFE & ankle fracture /
12.30 – 13.30	LUNCH BREAK	LUNCH BREAK	COURSE EVALUATION
13.30 – 14.30	Workshop / Demo Session 1 Ponseti / Pelvic osteotomy	Workshop / Demo Session 4 Hip Spica application / ESIN femur	END OF COURSE
14.30 – 15.30	Workshop / Demo Session 2 Pelvic osteotomy / Ponseti	Session 7 : Cerebral palsy 1	
15.30 – 16.00	COFFEE BREAK	COFFEE BREAK	
16.00 – 17.00	Session 4: Limb deformity correction	Session 8 : Cerebral palsy 2	
17.00 – 18.00	Interactive Group Discussion 2: Limb deformity correction	Interactive Group Discussion 4: CP / Misc. Trauma	
18.30	BREAK FOR THE DAY	BREAK FOR THE DAY	

Electronic brochure will be available on MOA & AOA websites
